Prepare for an extraordinary evening of celebration and philanthropy at the fifth annual *Wine in the Wild* fundraiser hosted by **Busch Wildlife Sanctuary** at Abramson & Schlaggar Reserve. The festivities will take place January 27, 2024, from 5pm-7:30pm at the newly expanded campus. The Sanctuary's signature fundraiser aims to raise funds and awareness for the two-fold mission of wildlife rehabilitation and environmental education.

This highly anticipated event promises to be an enchanting affair, blending the natural beauty of the Sanctuary with the charm of a lively social gathering. Guests will be treated to a delightful array of activities and experiences throughout the night.

Indulge your palate with a variety of delectable dishes from the gourmet food stations thoughtfully curated to tantalize your taste buds. Wine enthusiasts can savor a selection of premium wines and cocktails, while beer lovers can enjoy

a range of craft brews that perfectly complement the flavors of the evening. Guests will have the unique opportunity to encounter and learn about the Sanctuary's wild animals up close. The presence of these magnificent creatures will undoubtedly create unforgettable memories for everyone present, fostering a deeper appreciation for wildlife conservation efforts.

The event's big star will be the brand new 20-acre campus itself. Boasting stunning upgraded habitats, larger amphitheater, paved walkways, and preserved wetlands, the Jupiter Farms property will give guests a memorable look at the Sanctuary's *Nurture What's Wild Capital Campaign* come to life. To elevate the excitement, a silent auction and raffle will offer exclusive items and experiences, enabling guests to participate in supporting the sanctuary while acquiring one-of-a-kind treasures.

"This past year has been a whirlwind of emotion with our move, and we could not be more grateful for the outpouring of support." **Amy Kight**, Executive Director said. "*Wine in the Wild* will be the perfect opportunity for our team to celebrate side by side with guests."

By attending *Wine in the Wild* 2024, guests not only immerse themselves in an unforgettable experience, but also contribute to the preservation and care of the remarkable wildlife at Busch Wildlife Sanctuary. Every dollar raised during this enchanting evening will go directly towards supporting the Sanctuary's mission of rescuing, rehabilitating, and releasing injured and orphaned wild animals, and continuing our education programs.
